LOYALTY

FIRST & LAST NAME: _____

Loyalty means "faithful and committed to a person, place, group or cause." It declares to people; "I'll stand by you!" even when times are difficult or others might turn the other way. We show loyalty when we stick up for our friends if someone is picking on them. We show loyalty when we keep our promises, show up on time and devote ourselves to events or causes when we'd rather do something else. Answer how YOU show loyalty below.
